NARRATIVE:

Darrin Johnson has an extensive adult criminal history that began at the age of 20. His convictions include assault on person by firearm, false ID to a peace officer, possession of narcotic controlled substances, multiple thefts and transport/sales of narcotic controlled substances. He has served multiple incarcerations, the longest being 4 year term for assault on person by firearm. Johnson was released from state prison to the supervision of the Los Angeles County Probation Department on July 07, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2015 after he absconded from post release community supervision (PRCS). Johnson qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transport/sales of narcotic controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
